

Combined Water and Sanitation Rates Comparison

(Monthly bills based on LVMWD average water budget = 29 hcf/month & 3 residents per household)

Notes:

1. Many factors affect the cost of providing services because conditions differ from one area to another.
2. City of Oxnard sanitation based on "large lot" with 60% wastewater return flow.
3. LA Sanitation cost is based on winter water use and a DWCF = 0.79.
