

1

### Preparation

Design a landscape plan  
Obtain a copy of your most recent water bill  
Take 5 color photos  
(make sure to show landmarks)

2

### Apply for a Reservation at

[socialwatersmart.com](http://socialwatersmart.com)

It takes approximately 2 weeks for a response.

Make sure your application is approved, avoid common pre-application denials.

- » Not enough plants on landscape plan (3 plants per 100 square feet)
- » Pictures do not show landmarks
- » Project has already begun/been completed
- » Water bill is missing or incorrect
- » No pre-existing turf

3

### Complete Project

DIY or hire a certified landscape professional.

Project must be completed within 6 months from the time it is approved.

4

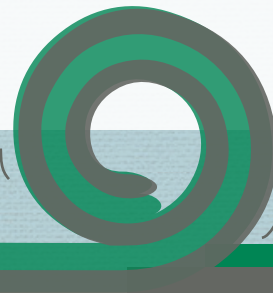

### Apply for a Rebate at

[socialwatersmart.com](http://socialwatersmart.com)

It takes approximately 2 weeks for a response.

To ensure your application is approved, avoid common post-application denials.

- » Not enough plants (3 plants per 100 square feet)
- » No rain retention feature
- » Project not completed on time - reservation expired
- » Applicant installed artificial turf, turf-looking grass, or invasive plants
- » Mulch is insufficient

5

### Receive Check

Congratulations, your outdoor turf replacement project is complete! You will receive a check by mail 8-10 weeks after project approval is received.

LVMWD's Landscape Transformation Program provides support for homeowners looking to remove their existing grass and replace it with sustainable, climate-appropriate landscaping. Start replacing your lawn today with our simple five-step process.
