

USEPA REGION IX
NOTICE OF PUBLIC WORKSHOP
Malibu Creek and Lagoon TMDL

U.S. EPA Region IX will be holding a public workshop to provide information and address questions regarding the proposed pollution blueprint, Malibu Creek and Lagoon TMDL for Sedimentation and Benthic Macroinvertebrate Community, to be established by USEPA. Representatives from the Los Angeles Regional Water Quality Control Board will also be present to provide information on the State process of the TMDL.

We invite you to attend and find out information about this process.

Date: **Wednesday May 1, 2013**

Time: **6:30 p.m. to 8:00 p.m.**

Location: **Agoura Hills City Hall**

Address: **30001 Ladyface Court, off Agoura Rd.**
 (between Kanan Rd. & Reyes Adobe Rd. exits of US 101)

This workshop will discuss:

- Proposed plan to improve water quality and restore ecology in Malibu Creek and Lagoon
- Long-term implementation process to achieve water quality standards in the future
- Improvements and updates from local stakeholders and entities
